Welcome to Diversified Packaging where we have continued to evolve and raise the standard in customer service since our inception in 1984. Today, we are a full-line packaging company that places an emphasis on automated solutions—providing solutions for unique and hard to resolve applications.

At Diversified, our customers discover quickly that we are not simply a catalog order company. Our services go beyond, incorporating unsurpassed service through a team of dedicated people who are committed to your operational savings—through competitive pricing, more efficient processes and better products.

& many more!***

With a vast customer base, Diversified Packaging serves commercial and industrial businesses throughout the St. Louis region and beyond through a solid and secure online portal. Because of our reputation and notable customer base, we are able to leverage competitive pricing.

Our customers do not struggle with multiple vendors, invoicing and tracking down numerous shipments—we truly are a one-stop solution.

Diversified Packaging has full time, factory-trained service technicians on staff for maintenance, repairs and installation of equipment. We can provide the machines, the care and the products to make your shipping process as efficient and easy as possible.
